

Reach Thousands of Key Decision Makers

Hanley Wood Market Intelligence Key Indicator electronic newsletter is published three times a month and reaches more than 20,000 subscribers. The periodic summary captures the most important Economic Indicators, which affect the housing market. This widely read publication is a good opportunity for organizations to sponsor banner ads and target a wide audience within the home building industry.

For sponsorship details and availability call 800.639.3777 ext. 281
